Air filter 1 457 433 585: wrong short code S3538

Two air filters are currently released with the short code S3538: 1 457 433 538 & 1 457 433 585.

The right short code of the 1 457 433 585 air filter should be S3585, as mentioned in electronic catalogues.

Corrective measures are on-going with the plant and **the 1 457 433 585 filter will be available with the S3585 correct short code by December 2019.**

In the meantime, please double check the 10-digit part number on the box in case you place your orders by using the S3538 short code.
