

BOSCH

Invented for life

Bus wiper blades

Improved quality and design

Features and benefits

- ▶ **Improved quality and design:** end-caps for even more robustness
- ▶ **Outstanding cleaning and even smoother action:** dual-rubber wiper technology with smooth-glide coating
- ▶ **Consistent clean and a clear view:** high-tech spring strip evenly distributes the contact pressure across the windshield
- ▶ **Improved service life:** wear-resistant micro double-edge wiper rubber
- ▶ **Lasting safety even in extreme weather conditions and low noise wiping:** robust full-metal frame wipers with triple-corrosion protection for lengths between 800 and 1,000 mm
- ▶ **Confidence and assurance:** approved in comprehensive vehicle-specific quality and functional tests
