

## Filters

### Battery air filter F026400815 (S0815)

We are informing about new air filter product type in our range : Bosch part number **F 026 400 815** covering TOY OE **G92DH47070**.

#### Usage :

Cleaning the air - used for cooling the HV battery - from particles. The filter helps to prevent particles entering the air intake duct linked with the HV battery.

Exchange acc. OEM recommendation (“... Visually check the HEV battery cooling intake filter for dirt or dust every 15,000km (10,000miles) and replace if necessary. Replace every 30,000km (20,000miles). ...”

From product management we can confirm that **fit and function** had been tested and can be confirmed.
