Verwendungsteil**Benutzerhinweise**

In diesem Katalog sind die Daten von Fahrzeugen, Motoren und Geräten für den europäischen Markt von Baujahr 2004 bis einschließlich 2022 erfasst. Die Daten wurden auf der Grundlage von Hersteller- und Importeurangaben, aus Fahrzeuguntersuchungen sowie aus Unterlagen von Bosch nach bestem Wissen sorgfältig zusammengestellt und geben den Stand zum Zeitpunkt der Drucklegung wieder. Nachträgliche Änderungen an Fahrzeugen, Motoren und Geräten anderer Hersteller können ebenso wenig ausgeschlossen werden wie Irrtümer oder Druckfehler.

en

Applications**Notes for users**

In this catalog, the information on vehicles, engines and devices for the European market from the years of manufacture from 2004 up to and including 2022 has been compiled. The information has been compiled carefully and as faithfully as possible based on manufacturers' and importers' specifications as well as vehicle examinations and documentation from Bosch as of the date of going to print. Later changes to vehicles, engines and devices by other manufacturers as well as errors and misprints cannot be ruled out.

fr

Affectations**A l'attention de l'utilisateur**

Les caractéristiques des véhicules, moteurs et appareils relatifs au marché européen de l'année 2004 à 2022 compris sont saisies dans ce catalogue. Les données ont été soigneusement compilées de bonne foi sur la base des mentions du constructeur et de l'importateur, à partir de contrôles techniques de véhicules ainsi que sur la base de documents de Bosch et fournissent l'état au moment de la mise sous presse. Des modifications ultérieures sur les véhicules, les moteurs et les appareils d'autres constructeurs ne peuvent pas être exclues, tout comme des fautes ou des erreurs d'impression.

В настоящем каталоге собраны данные о транспортных средствах, двигателях и устройствах, изготовленных для европейского рынка с 2004 по 2022 годы включительно. Эти данные были тщательно собраны на основе информации производителей и импортеров, проверок транспортных средств, а также документации Bosch и отражают состояние на момент поступления в печать. Возможны последующие изменения в транспортных средствах, двигателях и устройствах других производителей, а также ошибки или опечатки.
