

**BOSCH**

Invented for life

## **Better means becoming a Bosch Module Partner**

**Bosch Modules**

Be recognized as a quality workshop

## What is a Bosch Module?

We know your business is unique to you. That's why we at Bosch have developed Bosch Modules, a way you can differentiate your workshop from your competitors and be recognized as a quality workshop, backed by Bosch.

## The benefit of Bosch Modules.

### Instant recognition for quality

Customers will instantly know that you're a part of the Bosch network with Bosch signage, product banners and workwear.

### Technical support

Receive access to technical support and product training.

### Be connected

Exchange industry news and trends with fellow Modules workshops in automotive repair through Bosch Talk.

### Increase efficiency

Digitalize your business with the Workshop Management System (WSMS), a new cloud-based platform designed to streamline your job management, instantly saving you time and increasing your efficiency and profits. Enjoy the convenience of ordering parts through Parts Finder and the Online ordering platform, a game-changer that allows you to focus more on your customers.

### eXtra rewards

Earn additional eXtra points when you purchase Bosch parts and products through the WSMS platform.

# Independent Workshop

Modules Signage and Bosch  
Product banner enhances your  
business a Corporate image.

# Branded Workshop

Non – Intrusive Modules  
Signage that will fit in your  
current Branded signage.

## Joining the **Bosch Modules Network** is easy!

Upon joining the Bosch network, your business will just need to tick a few boxes

### **You are a Bosch supporter**

You'll meet the minimum Bosch parts annual purchase value

### **Be ready for the latest technology**

You'll need to attend at least 1 Bosch Technical Training session

### **We welcome workshops big or small**

Whether you're a full service, fast fitter or branded workshop, it's easy to join if you have 1-3 mechanics and 3-4 workbays

### **Go digital**

You'll manage your business digitally with the Workshop Management System (WSMS)

### **You're ready to be rewarded with eXtra!**

Join the Bosch eXtra Loyalty program and be rewarded for your purchases
