

Product information: Bosch ECO ranges of automotive bulbs

January 2019

BOSCH ECO, ECO TRUCK & ECO HID RELIABLE AND WITH ATTRACTIVE PRICE/PERFORMANCE RATIO

For price-oriented customers expecting both a value-based repair and reliable Bosch quality, the Bosch ECO range of automotive bulbs is the ideal solution. The Bosch ECO range comprises the most common bulb types and thus covers a large variety of vehicles on the market.

- ▶ **Halogen und gas discharge lamps:** the most common 12V and 24V halogen bulbs and gas discharge lamps
- ▶ **Long service life:** use of high-quality materials and components
- ▶ **Good price/performance ratio:** outstanding lighting performance with fair pricing
