

BOSCH

Invented for life

The new Bosch Multi Adapter Rear – less part numbers, high coverage

NEW!
Multi Adapter
Rear

Advantages at a glance

- ▶ **High vehicle coverage:** modular adapter system – one Aerotwin Rear wiper blade and 4 separate adapters
- ▶ **Outstanding wiping performance, increased service life and quiet wiping:** wiper rubber with Power Protection Plus and patented coating
- ▶ **Reduced complexity, more space in the shelf:** 6 new short codes cover 19 current short codes
- ▶ **Quick and easy installation:** due to the modular adapter system

Did you know?
